ПМЭФ2015

Dear Mr. Barak,

It gives me great pleasure to personally invite you to the 19th St. Petersburg International Economic Forum, to be held on June 18–20, 2015.

As in previous years, the Forum will bring together business, political, academic and media leaders from all over the world to discuss, deliberate, and take action to set the global agenda. Under the current circumstances it is vital to maintain constructive dialogue that can lead to better understanding and forge a basis for common solutions and joint decisions.

The SPIEF 2015 programme will include discussions on the global challenges facing the world economy, key issues on the Russian agenda, the development of human capital and expertise, and new breakthrough technologies and innovative solutions.

The Forum will also host a range of policy and business events looking in depth at the Russian economic agenda and new business opportunities across the Eurasian continent.

I firmly believe that SPIEF 2015 will once again prove to be a key event in the global business calendar, and I look forward to your participation.

Sincerely,

Deputy Prime Minister of the Russian Federation — Sergei Prikhodko
